

THE LAZY GOAT

| beverage menu |

At The Lazy Goat, our wine program is devoted exclusively to the wines of the Mediterranean and the Old World — a celebration of regions and traditions spanning from Portugal through Lebanon and Israel, and back to Morocco. The list brings together benchmark producers and classic appellations alongside emerging regions and less familiar countries, offering both familiarity and discovery.

Recipient of Wine Spectator's Award of Excellence since 2013, our collection features more than 450 wines, complemented by an expansive selection of wines by the glass, half bottles, and curated flights — designed to make exploration approachable. We were thrilled to have achieved the next level designation - Wine Spectator Best of Award of Excellence - in 2026.

Our sommeliers are always available to guide you, whether you're revisiting a trusted favorite or venturing somewhere new. Here, every glass is an invitation to explore.
